

Are your toys “**RIGHT**” for children with special needs?

Submit your products
for AblePlay Rating

The image shows a sample of the AblePlay Rating form. It features a blue header with the 'able play RATING' logo. Below the logo, there are fields for 'Company Name' and 'Product Name', followed by a 'serial #XXXX-XXX-XXX-XX'. A table lists four disability categories: Physical, Sensory, Communicative, and Cognitive, each with a 5-star rating. At the bottom, the website 'www.ableplay.org' is displayed, along with a note: 'Play products for children with special needs Independent evaluation by National Lekotek Center'.
